Exercise Science Project: Due Dates

Mr. Ward's 7th Grade Science. Class meets Monday, Tuesday, Wednesday, and Friday. This project is 30% of your trimester grade.

TUE Nov 3	IN CLASS	**Kickoff and brainstorm** Learn the project, pick a partner, and brainstorm two experiment ideas.	
WED Nov 4	DUE	**Methods Worksheet due** Your two ideas, your pick, materials, steps, hypothesis, and null hypothesis.	22 pts
FRI Nov 6	CHECK-IN	**Check-in #1 and start collecting data** Fill out the partner check-in form. Start collecting data once your plan is approved.	
MON Nov 9	IN CLASS	**Keep collecting data** Keep collecting data. Your finished table is due 11/16. Build your slides.	
TUE Nov 10	CHECK-IN	**Check-in #2 and slides ready** Materials and Methods slides ready for tomorrow. Fill out the check-in form.	
WED Nov 11	PRESENT	**Materials and Methods presentations** Up to 5 minutes. Both partners speak. Fill out classmate feedback sheets.	39 pts
FRI Nov 13	DUE	**Introduction Packet due and check-in #3** Two APA sources from Google Scholar plus a hypothesis source. Fill out the check-in form.	23 pts
MON Nov 16	DUE	**Complete data table due** All 10 data points, with Capitalized headers, units, alternating colors, and outlined cells.	
MON Nov 16	DUE	**Graphs, p-value, and Conclusion Packet due** Graphs with units and Capitalized titles, percent change, p-value. The Conclusion Packet plans your conclusion slides and looks back at your project.	18 pts
MON Nov 16	DUE	**Final slides due and practice day** Submit your slides by the end of the day. Practice out loud with a timer.	
TUE Nov 17	PRESENT	**Final presentations, day 1, and check-in #4** 8 minutes or less. Both partners speak. Classmate feedback sheets. Last check-in form.	82 pts
WED Nov 18	PRESENT	**Final presentations, day 2** Any remaining teams present.	
MON Nov 23	PRESENT	**Final presentations, overflow day** Only if a team has not presented yet.	

No class on Thursdays. No school on Friday, Nov 20. Partner check-ins are due every Tuesday and Friday on the class form. Full details, packets, and rubrics are on the class site.
